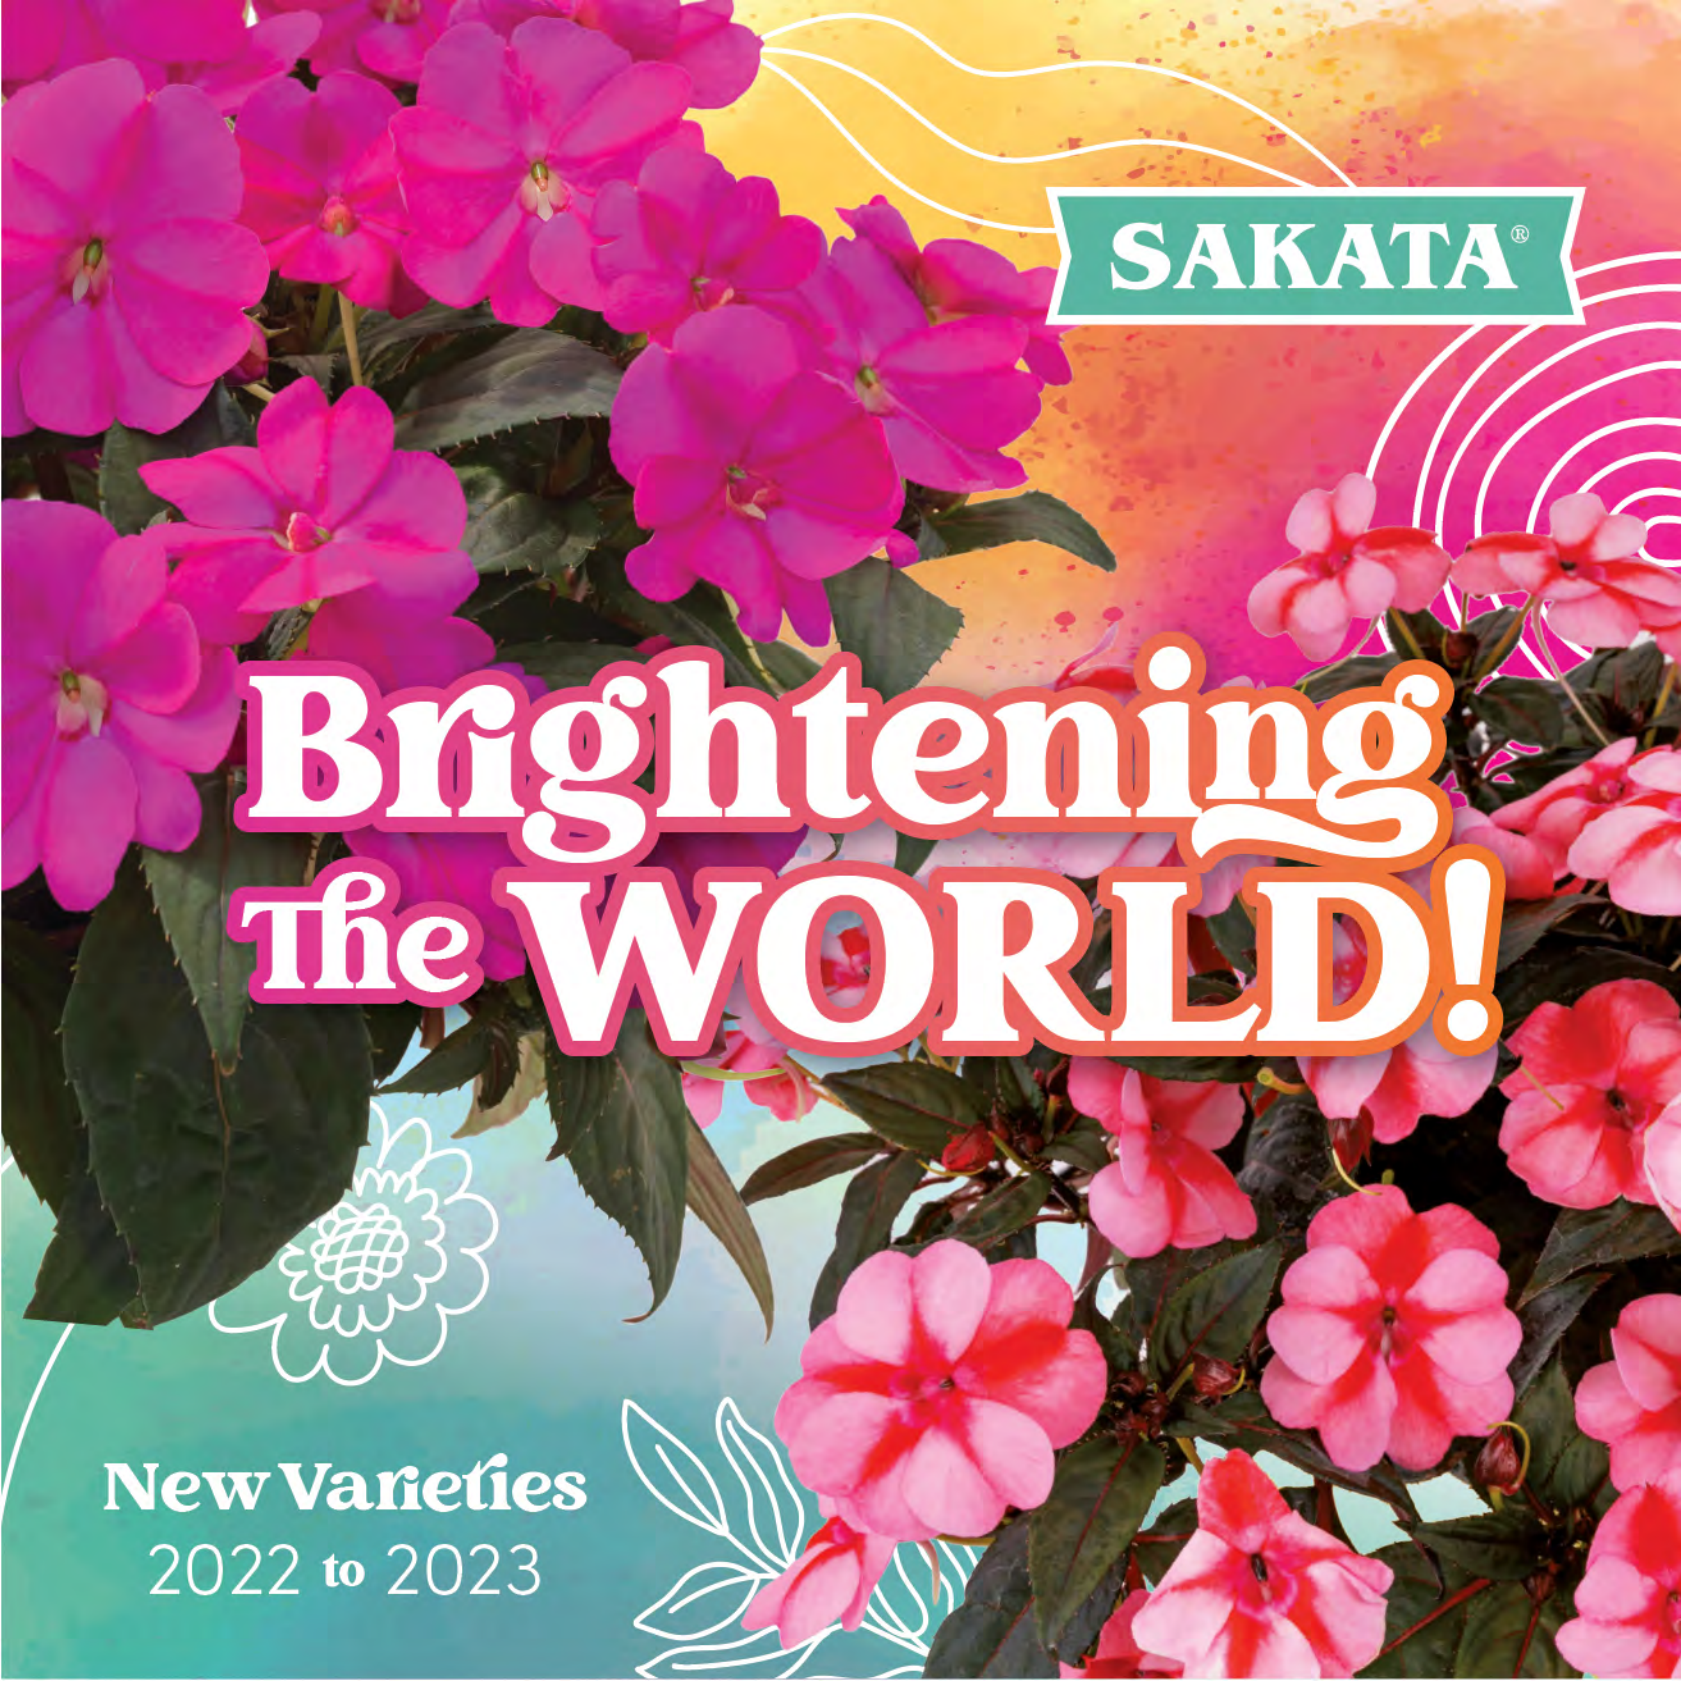
SAKATA®

Brightening The WORLD!



New Varieties
2022 to 2023

Here Comes the SUN

New Varieties
2022 to 2023

At Sakata, we are proud to make the world a more beautiful place. This year, we present thirty-eight new additions to our product line, including three new series, each of which represents our values of bringing the best and brightest products to market.

For over 108 years, Sakata has sought to provide the ultimate gardening experience. Each of our new introductions has been rigorously trialed and refined with you at the forefront of our minds. With a strong focus on uniformity, timing, profitability and on-trend colors, our newest varieties are sure to provide endless production and garden success!

Together We Flourish
