Borromini  
Capulin  
Jeanine

- crispy and crunchy leaves
- excellent sweet taste
- shiny look
- deeply serrated leaves with typical 3D shape, which helps the leaf to avoid sticking to the bag therefore producing an excellent volume
- small compact heads, easy to put in a clamshell
- wide harvesting period due to its field standing ability
- strong but flexible leaves
- high resistance to Downy Mildew and good tolerance to Nasionovirus
